Hi, I'm Razib Ahmed

Professional Web Developer specialized in back-end development. Experienced with all stages of the development cycle for dynamic web projects.

Well-versed in numerous programming languages including HTML, CSS, JavaScript, PHP, SQL, and C. Strong background in project management and customer relations. I have been successful as a freelancer, not just because of my web programming skills, but because I am a skilled, responsible and dependable web programmer.

I'm extremely passionate about web design and development. I enjoy my work and I spend my days with learning different areas of web development

# Professional Skills
